Circular no. 1487

Zurich, 5 June 2015

Suspension of the Indonesian Football Association as of 30 May 2015 and until further notice

Dear Sir or Madam,

We inform you that, based on the decision taken by the FIFA Executive Committee on 30 May 2015, the Indonesian Football Association (hereinafter: PSSI) has been suspended according to Article 14 of the FIFA Statutes as of 30 May 2015 and until further notice.

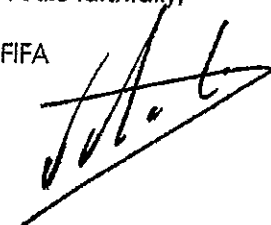

Consequently, PSSI loses all its membership rights as defined in Article 12 of the FIFA Statutes, with immediate effect and until further notice. The PSSI representative and club teams are no longer entitled to take part in international competitions as of 30 May 2015 and until the matter is resolved to FIFA and AFC's full satisfaction. This also means that, as of 30 May 2015, no PSSI official/representative may participate in any international match or event (such as committee meetings, courses, workshops, exchange programmes, etc.). Moreover, we remind you and your affiliates not to enter into any sporting contact with the PSSI and/or its teams during the suspension of the association.

Finally, the FIFA Emergency Committee or the FIFA Executive Committee may lift this suspension at any time and we will inform you accordingly.

Thank you for taking note of the above.

Yours faithfully,

FIFA

Jérôme Valcke
Secretary General
